GROUND MOUNTED FLAGPOLES - Heavier duty poles for permanent use.

HIGH VISIBILITY - The height of flags ensures your logo is seen from a distance.

EYECATCHING - Event bins/ POS tools are ideal for festivals or shops.

CAFE BANNERS - A premium quality, stylish and flexible banner system for defining any indoor or outdoor area.

ALL NATIONS FLAGS - Available in hand sewn and digital print.

HAND SEWN FLAGS - High quality flags with a superior finish.

DIGITAL PRINTED FLAGS - There is no limit to the size, detail and depth of colour for your printed flags.

BANNER POLES - Equally useful for permanent and temporary attractions.

IMPACT - The Dewdrop banner offers an exciting medium that is both robust and longlasting.

Here are some factors to think about when choosing your flagpole:

- Your location
- Height of pole
- Wind speeds
- Foundation
- Security
- How much space should I allow around the pole? Your flag size will dictate how near you will need to be from the nearest object. It is a good idea to allow plenty of space particularly if you want to fly a larger flag at a later date. It is also a good idea to consider proximity to trees and bushes.

WALL MOUNTED FLAGPOLES - Glass fibre angled flagpoles available as standard heavy duty and extra heavy duty.

PREMIUM BANNER POLES - Come with a 10 year warranty.

AUTO AND EVENT FLAGPOLES - Semi temporary flagpoles with banner arms and a range of bases.

FAST - Instant self assembly pop-up system.
